

Xerox® Connect App for Remark® Test Grading

Print and grade tests automatically.

Connect for
Remark® Test Grading

Less time grading. More time teaching.

With our test grading app on your Xerox® ConnectKey® Technology-enabled multifunction printer, grading bubble tests is as easy as a scan. Reclaim valuable class time and spend less time on paperwork.

>50% of a teacher's week is spent on lesson preparation and grading work.*

*Education at a Glance 2017—OECD Indicators, iLibrary, OECD Publishing

BEFORE

Manually create test answer sheets

Print and distribute test to students

Manually grade tests

Compile and scan graded answer sheets

Email electronic records

Build summary reports

AFTER

Print and distribute tests

Print.

Collect answer sheets and scan

Collect and scan.

Grade and manage

Review.

An easier way to make the grade.

Connect to Gravic's powerful Remark Test Grading Service from your MFP to print bubble tests for your class. Scan completed answer sheets for instant results and report summaries. Faster grading means faster feedback for your students.

With our app, your Gravic[®] Remark[®] subscription reaches its full potential.

Connect for
Remark[®] Test Grading

With the Connect App for Remark Test Grading, you can offload test grading to your workplace assistant. You'll get faster—nearly instant—results, fewer errors and the ability to simplify many of the workflows associated with your Gravic subscription.

Easy access.

Login to your Gravic Remark account right at the MFP.

Print or scan.

Print answer sheets for distribution to students or scan completed answer sheets and answer key to the service for auto-grading.

Instant results.

Print or email student grades and generate report summaries.

Your workplace assistant is ready and waiting.

Streamline workflows and tame complex processes in any office setting with Xerox[®] ConnectKey[®] Technology-enabled devices and apps for your workplace assistant.

Available for use in K-12 and Higher Education in the U.S. and Canada.
