

## VIEWSONIC VIEWBOARD DISPLAYS

The Right Choice for Your Education Opportunities

With huge touchscreens in a variety of sizes, ultra-smooth handwriting, versatile connectivity options, and **myViewBoard® digital whiteboarding software**, **ViewSonic® ViewBoard® interactive flat panel displays** drive engagement, energize and motivate students, and make teaching more fun.

Combined with our unparalleled commitment and service to our partners, ViewSonic ViewBoard IFP50 interactive flat panel displays deliver a complete and collaborative classroom solution.

**Heritage** – With over 30 years of experience developing award-winning products and providing excellent customer support, ViewSonic delivers a long-term track record that the competition can't.

**Amazing Support** – Not only does ViewSonic provide limited on-site warranties up to 7 years, but they back them with a US-based service team and award-winning customer support.

**Products at the Ready** – ViewSonic's US-based warehouse has product in stock and ready to ship so you can have your 21<sup>st</sup> Century Classroom up and running in days, rather than weeks.

**Award-Winning myViewBoard Ecosystem** – A powerful tool that enables teachers to build dynamic lesson plans, import engaging content, and share lessons with students – all with one easy click. Whether yours is a Windows, Android, or Chrome environment, myViewBoard works well with existing technology and seamlessly integrates into nearly any classroom.
