# Xerox Workflow Central Platform

## WORK FINDS YOU WHEREVER YOU ARE. NOW YOU CAN GET IT DONE ANYWHERE.

We no longer go to work, work comes to us — from multiple locations and in varying formats. Which means workflows need new levels of adaptability, flexibility and security.

- **Adaptability that lets you be effective and productive anywhere.** Seamlessly switch between locations, devices and formats.
- **Always-on and able to meet process needs on the fly.** Because downtime isn't an option.
- **Security that mitigates the risk of working, sharing and collaborating outside the office infrastructure.** Be confident documents and the information contained within them are secure thanks to Microsoft Azure security intelligence.

### WHY XEROX WORKFLOW CENTRAL:

Paper or digital, we make it easy to convert documents, photos and image files from any device.

- 24/7 cloud connection — home, office or on the go.
- Subscription-based with instant access to a library of workflows, all accessible from anywhere and any device.
- Select the monthly or yearly page-based subscription that's best suited for your business. Various pack sizes available, all with unlimited users and unlimited devices.
- It's easy to renew and upgrade as your needs and work evolve.

### SECURITY AT EVERY LEVEL.

- Hosted on the secure global infrastructure of the Microsoft Azure platform.
- Protection at every step of the document journey that encrypts data at rest and in motion.
- Controlled accessibility with unique login credentials for each user.

Get more out of every workday, wherever work happens.
