

ENJOY SAVINGS ON XEROX DEVICES THROUGH OCT 31ST

Whether for your home or the office, enjoy exclusive savings on select Xerox award-winning printers and multifunction printers through October 31st.
On top of instant savings, Xerox printer owners can earn a 10% cash back loyalty reward.

Home Office Printers

Designed for personal, home and small office settings. Good quality at an affordable price.

Laser Printers

Offer fast printing with the use of toner instead of ink, significantly reducing your spend on supplies.

All-in-One Printers

Offer a broad range of functions to help you streamline your home or office. Print, scan, email, and fax all on one machine - saving time, space, and money.

High Volume Printers

Equipped with a broad range of features and lower cost-per-page, high volume printers are perfect for the demands of a busy office. Efficient and reliable - a high volume printer won't slow you down.
